WHY HELSINKI?

Helsinki, as the capital of 100 year old Finland, hosts the European JCI Senators' Summit and ASE Spring Meeting. Helsinki is a great mixture of the Western and Eastern history and this year, of 100 year celebrations, is the best time to come and experience the unique Capital of Finland. Full of life, great architecture, idyllic seafronts and natural surroundings – all of this is presented to you by our lovely host City.

Scandinavian Design is an integral part of Finnish culture and in 2012 Helsinki was the World Design Capital.
